Lekki Conservation Centre.

Begin in one of Lagos's best-known nature reserves, a protected urban environment of wetlands and tropical vegetation. Explore the natural setting and, subject to operating conditions, experience the famous canopy walkway above the forest environment.

Nike Art Gallery.

Continue to a major centre for Nigerian and African art. Discover a wide-ranging collection of paintings, sculptures, textiles and other creative works that introduce the richness and diversity of contemporary and traditional artistic expression.

Lagos Arts & Crafts Market.

Browse traditional crafts, artworks, fabrics and locally made souvenirs. The market offers an opportunity to see Nigerian craftsmanship at close range and, if you wish, select personal keepsakes from the experience.
