TOUR OVERVIEW

We will pick you up from your hotel or agreed location in Accra and travel through the scenic Akuapem Hills to Aburi. At the Botanical Gardens, we will enjoy a guided walking experience through beautiful avenues of palms, historic trees and tropical plant collections while discovering the history, ecology and cultural importance of some of the garden's remarkable species.

We will continue the Aburi experience with Ghana's cocoa heritage and traditional craftsmanship, creating a more complete excursion than a simple garden visit. Enjoy opportunities for photography, souvenir shopping and interaction with the local environment before we begin the journey back to Accra and return you to your hotel or preferred drop-off point.
