TOUR OVERVIEW

We will pick you up from your hotel or agreed location in Accra and travel into Ghana's green Eastern Region towards Boti. On arrival, we will begin the nature experience around Boti Falls, a seasonal twin waterfall surrounded by forest. Approximately 250 concrete steps lead down towards the lower falls, where the landscape becomes especially impressive when the waterfalls are flowing strongly.

The adventure continues through the forest towards Umbrella Rock, an extraordinary naturally balanced rock formation reached by an approximately 45-minute hike, and the unusual Three-Headed Palm Tree, where a single trunk branches into three crowns. After enjoying the scenery, photographs and surrounding natural environment, we will begin our return journey to Accra.
