TOUR OVERVIEW

We will pick you up from your hotel or agreed location in Lomé and travel northwest towards the beautiful Agou and Kpalimé region. As we approach the mountain, the landscape changes to greener highlands characterised by villages, tropical vegetation, cocoa and coffee cultivation. We will meet the scheduled local guide and begin our Mount Agou experience, following the mountain route through communities and scenic countryside.

The hike provides an opportunity to experience rural Togo at a slower pace while enjoying changing views as we gain elevation. We will stop for photography, learn about local life and mountain agriculture, and continue towards the summit area and panoramic viewpoints before beginning our descent. After completing the Mount Agou experience, we will return by road to Lomé and take you back to your hotel or preferred location.
