TOUR OVERVIEW

We will pick you up from your hotel or agreed location in Accra and travel towards Shai Hills Resource Reserve. Once inside the reserve, we will begin a guided nature and wildlife experience through its grasslands, rocky hills and wooded areas, watching for baboons, antelopes, monkeys and other wildlife while enjoying excellent views across the surrounding savannah.

The experience continues beyond wildlife viewing as we explore the reserve's fascinating connection with the Shai people. Depending on the selected route and local conditions, we will hike towards one of the cultural sites, explore caves and rocky formations, and enjoy panoramic viewpoints over the reserve. After completing the scheduled activities and photography stops, we will return you to Accra.
